# IMMIGRANT MISSION

*A division of the Evangelical Free Church of America's  
All People Initiative*

Engaging the multinational landscape in your neighborhood with the gospel.

## Immigrant Mission

Have you noticed the changing multinational landscape in your neighborhood? The nations are here, and diversity will continue to increase as demographics in the United States shift. Christians in America have a unique responsibility to love and serve our new neighbors.

Immigrant Mission is here to help.

## Our Purpose

Immigrant Mission (IM) is a ministry to first-generation internationals and their families. We exist to help churches create a vibrant ministry that integrates immigrants into congregations, especially unreached people groups in the United States.

*"The foreigner residing among you must be treated as your native-born. Love them as yourself, for you were foreigners in Egypt. I am the Lord your God"*

Leviticus 19:34

## Our Objectives

1. Oversee development of training resources to equip your church
2. Develop strategies to connect your church with immigrants
3. Develop IM communication narratives and stories to inspire your church
4. Build networks for the local church through partnerships within and outside the EFCA
5. Assist the church in developing a ministry to refugees
