

Cultivate Cohort benefits

- + Fresh vision that is unique to your church
- + Unity and community engagement
- + Transformed lives and hope for the future

Email reachnetwork@efca.org to join the next three- or six-month cohort.

Cultivate **COHORTS**

Renew the vision of your church

Your church can have a transformational impact on your community

ReachNetwork Cultivate Cohorts are designed for leadership teams of churches two years old or older that want to multiply disciples, servant leaders and churches.

Cohort structure

+ MISSIONAL ENGAGEMENT

Understand the makeup of your community and develop a missional engagement strategy for your church.

+ MISSIONAL VISION

Cast a clear and compelling vision for your church that flows from a burden for your community.

+ DISCIPLEMAKING

Being intentional about making disciples who make disciples.

In a Cultivate Cohort, we come alongside you to develop a plan to reach new believers, see lives transformed, develop servant leaders and life-giving ministries, all to **see gospel impact in your community.**

You will meet each month for six 90-minute sessions facilitated by a licensed trainer. As you work on projects between sessions, you will **see God's vision for your church** come alive.

Cultivate Cohorts are supported by ReachNetwork.
