

Offline Sponsorship Form

To Sponsor a child via check, fill out the form below and mail the form along with a check to the address listed at the bottom of the form. Please note that paying via credit card on this form has a higher security risk than online registration. If you would like to use a credit card, we recommend using our secure website, globalfingerprints.org.

- If you have a child card, please mark the number in the appropriate spot below.
- If you do not have a child card, please indicate the location, age and gender of a child you would like to sponsor and one will be assigned to you.
