# Bring your questions and insights as we do theology together in community

At Stay Sharp 2024, we will address relevant theological questions that focus on the last sentence of Article 8 in our EFCA Statement of Faith, *“In obedience to Christ’s commission, we are to make disciples among all people, always bearing witness to the gospel in word and deed.”*

It’s especially difficult to *always* stay on course when there are so many “headwinds and undercurrents” that threaten to divert us from our disciple-making mission.

**February 26-27, 2024 | Waterdam Church**  
208 GALLEY ROAD, CANONSBURG, PA 15317

On Monday evening, we will gather for dinner together. Along with some District updates, we will get to know EFCA President Kevin Kompelien and Becky, his partner in life and ministry. If you are unable to stay for dinner, please communicate that when you register.

The District Constitution and Credentials Board will hold an optional **credentialing workshop** where you will learn about the benefits and process of credentials within the EFCA, how to write your license or ordination papers and answers to your questions about credentials.

*STAY SHARP is provided as a resource at no cost for Allegheny District churches. Please consider a donation of \$10 per participant.*
