STAY SHARP

True Spirituality

March 9-10, 2026

Waterdam Church · Canonsburg, PA

Bring your questions and insights as we do theology together in community

The Bible tells us that Holy Spirit is at work in each and every believer transforming us into the image of Christ (2 Corinthians 3:18).
His work is powerful, personal, and mysterious.

At Stay Sharp 2026, we want to think deeply together about true spirituality, separating fact from fiction, practicing discernment about contemporary ideas and practices and searching out biblical teaching about genuine transformation.

The Holy Spirit “...also indwells, illuminates, guides, equips and empowers believers for Christ-like living and service”.

(Article 6, EFCA Statement of Faith)

STAY SHARP is provided as a resource at no cost for Allegheny District churches. Please consider a donation of \$10 per participant (or \$20 for those attending the dinner).

DINNER: On Monday evening, we will gather in Waterdam Church’s fellowship hall for dinner together as a conference and hear updates from district and national EFCA leaders.

WORKSHOP: The District Constitution and Credentials Board will hold an optional credentialing workshop where you will learn about the benefits and process of credentials within the EFCA, how to write your license or ordination papers and answers to your questions about credentials.

TRAINING: Immediately after Stay Sharp, Waterdam Church will be hosting the EFCA Bible Pathways training, a simple means of learning basic hermeneutics and teaching it to others led by ReachGlobal staff.
